

# Soccer Planet Age Group Chart

<b>AGE</b>	10 and Under	12 and Under	14 and Under	16 and Under	18 and Under
<b>Age Group</b>	9/10U	11/12U	13/14U	15/16U	17/18U

- Divisions should be read as: 8U = 8 and younger
- Take the oldest player on your team and register in that age group (i.e., If your oldest player is 12 years and 8 months old, register your team in 11/12U).
- Exceptions can be made if it makes sense to have an older player playing down in a younger group, but approval must first be acquired from Soccer Planet management.
